## **Thursday, August 23 USS Turner Joy & Puget Sound Navy Museum:**

I think you will appreciate this docent tour of the USS Turner Joy in Bremerton; it will be about 2 hours, but there are a few things to be aware of. The ship is just partially handicap accessible. If you are in a wheel chair, you can only visit the main deck. Also, there are ladders, so if you have an issue with heights or cannot climb ladders, there will be areas you can't see. We will have lunch, on your own at Bremerton Grill (still working on that). After lunch, check out the Navy Museum or back to the Turner Joy.

We will make a stop at Trader Joes. **Friday, August 10 at 2:00!** If you read my Newsletter article this month, I mentioned walking the Olympic Discovery Trail.

We are mapping out the route from Diamond Point Rd, at the Olympic Discovery Trail, all the way to Elwha River Bridge.

The first group will walk on Tuesdays, starting August 14 at 9:00.

The next group will walk on Thursdays, starting August 16 at 9:00.

For the first section, you will park your car at 7 Cedars Casino. I will bring the green Shipley minivan to pick you up and take you to Diamond Point Rd to begin the first section.

The minivan can hold only 6 people, so we are limited. If you are interested in walking the walk, you must be one of the first 12 callers...6 for Tuesdays and 6 for Thursdays!

There will be a \$5 charge per week to cover the gas in the minivan. We would like to keep each segment of the walk under 2 hours. It would be best to have a cell phone; there must be at least 2 people in the group carrying a cell phone, only for emergency purposes. (Conversations on a cell phone when you are walking the trail could be dangerous.)

We will meet on Friday, August 10 to go over the route and other particulars. ***You will need to call me to reserve your spot!***
